

Elk Grove, CA Selects Comcate Code Enforcement, Animal Control, GIS

Code Enforcement and Animal Control officers in Elk Grove recently selected software from Comcate. Comcate Code Enforcement Manager and Animal Control Manager software helps officers in the field with remote access to live data, the ability to manage cases, communicate, schedule follow-up visits, print activity reports and attach photos and supporting documents to cases. For more information on Comcate software, please email info@comcate.com.
