

# ANNOUNCING THE NEW CITIZEN MOBILE APP AVAILABLE TODAY

## My View

At any given time, you have access to a wealth of information and the ability to contact every person you've ever met sitting in your back pocket. The popularity of smartphones is largely due to their ability to access [solutions](#) to any problem, at any time.

Your citizens are accustomed to this high-connected life now, and if you aren't offering a way for them to connect with your department via a mobile app, you're likely missing opportunities for citizen engagement. From making dinner reservations to tracking exercise, smartphones are increasingly the hub of everyday life. Click to read more about our citizen mobile app solution.
